Jason Mellema
Superintendent

February 21, 2014

Dear Parents/Guardians,

Our crazy weather pattern continues, and with it the longest winter that many of us have had to endure. Here are the current changes to the school calendar.

Week of June 2nd: All days will be full days

Week of June 9th: Full days on June 9 and 10
½ days on June 11, 12, and 13 (Exams at MS/HS)

Once again, should there be any further adjustments to the calendar we will continue to keep you updated. If you have any questions, please contact the building principals. Thank you for your patience and understanding.

Yours in Education,

Jason Mellema, Superintendent
